## **Reaction to Keith Ellison Filing for Attorney General**

We are happy to see Keith Ellison enter the Minnesota Attorney General race. We feel this is a positive change for Minnesota. Keith will bring his record of radical views and activities to the ballot for all Minnesotans. And we are confident if given the opportunity, the great people across Minnesota will reject Keith and his vision of the future for them.

It also opens up the race for Congress in Minnesota's 5th. This gives the voters the option to break from the DFL leaders who care more for Antifa and open borders than about the failing schools of Minneapolis, the employment gap for minorities and the opioid abuse epidemic.

We feel the people of Minnesota's 5th are ready for a change, and that change is Jennifer Zielinski.

The people of the CD5 count, they matter Keith!
