Minnesota Primary 2018 Election Results

Jennifer Zielinski is proud to be a part of the Republican victories tonight and we want to congratulate all the fellow Republican primary winners. Jen is ready to be the candidate to represent Minnesota's 5th District and to take on Ilhan Omar in the November 6th election.

Omar is to the far left of even the most obstructionist Democrats in Washington. She will fight against the positive changes we have seen in our economy, our trade policies, and international relations over the past 18 months. Omar will not represent the people of our district, she will vote for larger, more invasive government and hurt our country's growing prosperity.

Jennifer is the better choice for the people of Minnesota. She will not be a rubber stamp for anyone and she will fight for all of her constituents. Jennifer Zielinski will cross party lines to end the gridlock in Washington and get things done! Jen will work for common sense solutions to education, immigration, healthcare reform, fair trade and the energy independence.

Jennifer Zielinski is the best candidate to serve all the people of Minnesota's 5th Congressional District. Please vote for Jennifer Zielinski on November 6th!
